

We Need Your Input!

Please attend upcoming Public Workshops Buckeye General Plan and Development Code

Purpose: The Town of Buckeye is in the process of updating the community's General Plan and Development Code. The General Plan is a statement of policy and an expression of the community's vision that will guide and shape development within the planning area. The Development Code regulates how development will occur within the Town. Your idea's and input are critical at this stage in both processes.

Location: Both Workshops will be held at:
Buckeye Union High School
902 E. Eason Avenue; Library Lecture Room
Buckeye, Arizona

Workshop #1: General Plan Workshop
